

PRODUCT DATA SHEET

TRANS RURAL

TRANS RURAL is a 10W-30 premium Universal Tractor Transmission Oil (UTTO), recommended for use where a common oil for transmission, differential, final drive, hydraulics, power steering, immersed wet brakes and clutches is required in agricultural, construction and industrial equipment.

TRANS RURAL provides superior gear performance, chatter suppression, hydraulic pump and low temperature performance.

TRANS RURAL's superior friction characteristics provides reduced noise from brake chatter/squawk, maintains brake capacity for safer and effective stopping, improved brake, transmission and power take off disc life and affords safe, comfortable operation of equipment.

TRANS RURAL delivers excellent wear protection for gears, bearings and hydraulic pumps resulting in improved durability and longer equipment life.

TRANS RURAL has a high water tolerance which reduces filter plugging, extends pump life and provides superior protection to brass and copper alloy components.

TRANS RURAL's robust oxidative and thermal stability feature prevents oil thickening and the formation of acidic deposits that can reduce heat transfer and efficiency while providing outstanding protection of critical components and a reduced risk from seal leakage.

TYPICAL PROPERTIES

Density @ 15°C	0.882
Viscosity @ 40°C (cSt)	68
Viscosity @ 100°C (cSt)	11
Viscosity Index	153
Pour Point (°C)	-30
Open Flash Point (°C)	220
Appearance	Clear & bright

PRODUCT DATA SHEET

PERFORMANCE SPECIFICATIONS

SAE: Viscosity 10W-30

API: GL-4

AGCO: Powerfluid 821XL

AGCO: Q-186 (Whitefarm)

Allison: C-4

CASE: MS 1210

Case New Holland: CNH MAT3505, MAT3509, MAT3525, MAT3540

Caterpillar: TO-2

Claas/Renault: Transmissions

Denison: HF-0

Deutz-Fahr

Fendt

Ford: ESN-M2C86B, ESN-M2C86C, ESN- M2C-134D

Ford/New Holland: FNHA-2-C-200.00, FNHA-2-C-201.00

Hyster: HCE-102, HCE-102W

John Deere: JDM J20C, JDM J20D

Komatsu

Kubota: UDT Fluid

Landini

Massey Ferguson: CMS M1135, M1141, M1143, M1145

Same: Transmissions

Valtra: G2-08

Volvo: VCE WB 101

ZF: TE-ML 03E, 05F, 06K, 17E, 21F
